

ANNOUNCEMENT

to the ENTIRE Boonsboro Campus Life family and anyone that has ever been a part of and supported this amazing ministry in the Boonsboro community:

This coming summer, my wife and I will be moving away from Washington County, MD, and will no longer be directing the YFC ministry for Boonsboro (Boonsboro Campus Life).

I have accepted the full-time Youth Pastor job at a church in Bloomsburg, PA, and after the WCPS school year will be moving to that area. Lindsey and I were introduced to the congregation at the church recently and are excited about the opportunity.

I am so thankful for this powerful ministry that the Lord has used at Boonsboro Campus Life clubs to minister to the Boonsboro community over the last 5 1/2 years. It has been a privilege to minister to, have fun with, laugh with, and teach so many teenagers in Boonsboro. I believe that hundreds of teenagers have heard the gospel message, laughed, and seen the love of Jesus demonstrated by the people of His church. May the LORD bless the town of Boonsboro, and may more people in Boonsboro see their need for God.

We love God so much, and it is so beautiful to see when teenagers experience the love of Jesus and respond to the gospel message. Thank you to all of you who chose to support me and Youth For Christ as I have directed the amazing YFC clubs in both Middletown and Boonsboro. To God alone be the glory forever. Soli Deo Gloria. Serving Him,

Jason Fenicle

My name is Andrea Renner and I just started with YFC as Washington County Ministry Director in February 2019. I live in the Clear Spring area. I have been working with the Barbara Ingram club along with two new ministry sites.

One is working with high school teens in the Hagerstown area and one with teenage moms, we call Parent Life.

With the moving on of Jason Fenicle to a new position, I'm planning to meet with the volunteer staff and possibly some parents and student leaders of the Boonsboro clubs and discuss ways in which we can not only continue the club but

make it even better.

While we're all sad to see Jason and Lindsey leave, this gives us an opportunity to look at the ministry and evaluate the possibilities.

If you would like to give some input on the future of the club, please call me and I will invite you to participate as we plan for the future of Boonsboro Campus Life.
