

Do you want to know?

I hope that each of you are enjoying all of the wonderful things that spring brings. It's nice, at Boonsboro Campus Life clubs, to have more of the clubs outdoors in the spring as it stays light out later into the evening during this season of the year.

Do you want to know how much I appreciate your willingness to read this? I appreciate you and your prayers, and for supporting this great YFC ministry in Boonsboro. It is amazing to see and think about how God has used the Boonsboro Campus Life clubs to show middle school and high school students how much He loves them and how powerful His Word is.

Do you want to know what is the most amazing thing I hear students say? While listening to messages at club, **when they say it felt like the messages were directly for them** (and that the messages at club were exactly what they had to hear in the midst of what they were going through). God will always be in control. We serve an AWESOME God, and I will always be so thankful to serve Him.

Do you want to know what messages we are giving this month? Answer: What does it take to invest in your relationship with God (more than just going to church), learning verses, serving others, caring for their friends, and what it means to **BE THE CHURCH** in a world where so many people are choosing to not stand for God or what's right.

Do you want to know what really bothered me last year? I realized that a lot of the students coming to the club at BCL did not attend church with their family, but that it seemed they (even though they attended church) were so unfamiliar with stories in the Bible that I remember learning about when I was very little: stories like Daniel and the lions den, the story of Joseph, of Zacchaeus, Noah, David, and more. At Boonsboro Campus Life clubs this school year, so many lessons have been taught sharing with students how characters in the Bible (who God used powerfully) stood up for God and what they knew was right EVEN WHEN OTHER PEOPLE AROUND THEM WERE NOT DOING THAT.

Do you want to know what I think a good thing to pray for might be? Pray for the churches and youth ministries of our area and this world (right now), for their focus on teaching God's Word, and for their focus on showing their teenage students their need for a relationship with Jesus. May you consistently pray for teenagers all throughout this world to find the love of Jesus and to grow in relationships with Jesus.

Do you want to know how wonderful it is to see teenagers in the Boonsboro community finding the love of Jesus, showing that love to others, and growing in their own relationships with Jesus. Have a blessed May and a wonderful spring. TO GOD ALONE BE THE GLORY FOREVER.

Serving Him,

Jason

P.S. **Do you want to know what I really need?** Could you send a gift of support for our ministry to youth in the Boonsboro area? The ministry account ran a deficit last month and we need your help to continue the ministry.
