

**Boonsboro
Campus Life
is up and
running.**

Brothers and Sisters
in Christ, please
consider doing two
things for us.

First we need your
prayers. We want to
make an impact on
the Boonsboro
community by bring-
ing Christ to the
young people of our
community. We will
not survive without
God's hand on us.

Second, please
consider supporting
this ministry
financially. We
cannot exist without
your financial
support. There are
costs associated
with the ministry
that must be met.

Everything from cost of background checks, to liability insurance, administration and more. Please consider writing a generous check to support this ministry. God is at work and I'm excited to be a part of it.

Jason Fenicle

P.S. Your prayer and financial support are very critical to us as an organization at this time.

People all around the Boonsboro community are looking for real [actual] acceptance and seeking the love of Christ [even if they don't realize it], and they will FIND EXACTLY THAT at Boonsboro Campus Life. They will have so much fun, connect, and learn of the gospel and Jesus' love for them in a powerful and meaningful way. We have an incredible leadership team, and there are so many stories of people's lives changed by God through "THE CLUB" here in the Boonsboro community. :) Please spread the word and consider you and your friends coming on out to Boonsboro-Campus Life, joining the family of BCL, and becoming a part of this incredible group. Thank you, and may God bless you, your family, and this community.
