

Boonsboro Campus Life Prayer Letter September 2018

There is a lot of excitement and momentum surrounding the Boonsboro Campus Life ministry(ies) right now....Yes, PLURAL

Boonsboro Campus Life this school year (2018-19) will be starting a new High School club in addition to the Middle School club. I really missed my high school students, and so #TheNewMondayNight in Boonsboro is happening.

Multiple "hosts" have stepped up to host the High School Club on rotations, and the Middle School Club will continue at the Church of the Savior in Rohersville.

Boonsboro Campus Life will be, as a group, attending Uprise Festival together, as we have for years now: featuring artists and ministers such as Casting Crowns, Tobymac, Newsboys, Crowder, Skillet, and more. It's in Shippensburg, and you all should totally check it out.

1. Please be in prayer for students and their boldness to invite and bring their friends to both the HS and MS Clubs.

2. Please also be in prayer for the parents within the Boonsboro community: that they would help spread the word, that they would be solid role models and examples to their children for the Lord Jesus Christ.

I will always be so thankful for the opportunity to minister and serve the Lord. Club may be loud, rowdy, and messy at times, but the significance and importance of an authentic relationship with Jesus Christ and the

gospel will ALWAYS be the focus and reason for the ministrIES (plural) of Boonsboro Campus Life.

Jason Fenicle

P.S. I really need your help to support this ministry financially as we begin a new year. It is critical.
