## He is Faithful!

This month, I'm focusing this letter on prayer. While I could fill this page with ministry updates, I can't help but feel the need to use this space to call on you to join me in prayer.

While the school year comes to a close, so does Campus Life- meaning no more weekly club meetings. This summer will be an opportunity to meet with students one-on-one, and build stronger relationships at camp at the beginning of August! Please pray for God to continually seek and pursue our students this summer- that just because Campus Life is over for a few months, His love will stay with them. Pray that they won't forget what He has done in their lives this school year and they will continue to seek Him. Also, pray

for opportunities for leaders to meet with students to build solid, trusting relationships as many of our students don't have many positive adult role models in their lives. While club is over, we need prayer now more than ever to stay connected to our students.

Please also pray for our leaders. Pray that this summer will be a time of connecting with students, yes, but also a time of refreshment and renewal.

Lastly, please pray that God will provide financially for Campus Life. Students only pay a portion of the real cost for summer camps and while this great, we still need financial support in order to continue this model.

I believe in the power of prayer. I believe that Jesus will provide what we need when we need it, and that He cares about our deepest desires. Do you believe this too? Pray with me. Our God is an amazing provider, and I know that with your support through prayer, He will provide for Campus Life so that He will be glorified in the Frederick community! Thank you in advance for your support!
